

## January 2012

### HAPPY NEW YEAR!!

From all of us at the Sugarloaf Mountain Hotel, we wish all of you a Healthy and Happy New Year!

### UPDATED CREDIT CARD INFO

RCI/BVC cleaning charges are processed on a weekly basis upon check-out. Several credit cards on file have expired or are nearing the expiration date. A current card is required to be on file to clear the weekly cleaning fees associated with exchange deposits. Future deposits will be declined without updated information. Please contact me with current information. Thank you.

### CALENDAR/RENTAL CONTRACT

Please complete and return calendars and rental agreements at your earliest convenience. Updated calendars will override current calendars on file. If you have any questions regarding what you may have already reserved for owner use, please call.

### PAY OWNER DUES WITH PAYPAL

The association has a verified PayPal account for owners to send payment on-line to the SMCCA account. The PayPal e-mail is [paysmcca@live.com](mailto:paysmcca@live.com). All net payments (after any fees) sent to this e-mail address will be applied to your dues account within 7 business days.

### CONDO MANAGER

View your dues statement on-line by clicking the following link <http://web.condomanager.com/>. Should you need assistance logging in, please feel free to contact me.

### FACEBOOK

In an effort to keep up with the rest of the world in social media, a **Facebook Group** has been created for our owners. The intended goal is to create a sense of community among all of you. Log on to Facebook and search for Sugarloaf Mountain Hotel Owners and request to join the group.

### SUGARLOAF REPLAY

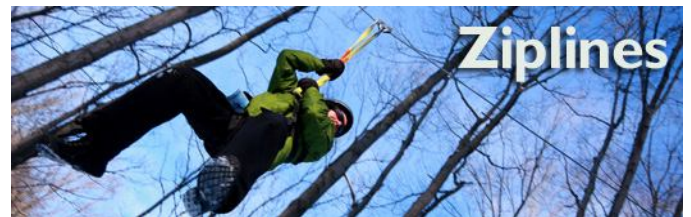

Sugarloaf recently launched Sugarloaf Replay, our new & free app for Android and iPhone, which allows you to track your experience on the mountain and share it with your friends. Developed with the team at AlpineReplay, the app calculates your vertical, mileage, speed, number of runs, calories and even air time, all with the push of a single button.

The data from your day is all compiled on your profile page on [AlpineReplay.com](http://AlpineReplay.com). Your profile will show you all of your data and the medals you've won and even allows you to set up challenges for yourself and your friends.

Your AlpineReplay profile easily syncs to your Facebook page too, meaning you can automatically share your day on the hill with your friends and family on Facebook.

## SMCCA BOARD BULLETIN

### A reminder of some discounts available to us

1. Hotel Owner's Discount Card: This will offer you a 15% discount at the Double Diamond. If you do not have your card, (it's quite attractive and will liven up your credit card collection). Ask Scott or Dianne and they will provide you with one.

2. Boyne Rewards: This free club gets you 5% back on all your Boyne purchases. This includes your season pass and other lift tickets, purchases at the Ski Shop, Sugarloaf Shop and Sugarloaf Sports Outlet in Kingfield, as well as room and ski rentals. This also applies at Sunday River and other Boyne resorts. It does not include your monthly fees or housekeeping charges. Sign up online for a card to be swiped at point of purchase, or keep your receipts to send in. This is in addition to any season pass holder discount that you receive.

3. Bullwinkle's Mug Club: This one takes a little calculating. For \$30 you will receive a card which entitles you to 50% off a mug of coffee, tea, or hot chocolate at Bullwinkle's. The first cup is free. You can do the math and decide if this works for you. It made a lot more sense to me once I realized I did not need to carry a mug around with me on the slopes.

Also, news from the Double Diamond: Chef John Reed has introduced several new entrees to the menu including duck, tuna steak (sorry Charlie), salmon, and some new salads and appetizers, (Dana swears by the broiled romaine salad and the new mussel appetizer). They have also upgraded the cuts of meat from a new company. I have not tried any of these yet so give me some feedback once you try them.
