

**2020/21
SUGARLOAF
New England Pass
Payment Plan Authorization**

The balance due on your 2020/2021 season pass(es) will be split into **four equal payments** due on July 1, August 1, September 1, and October 1, 2020. The amount of these payments will be dependent on the type of pass purchased.

Each pass payment will be processed individually; i.e. if you purchased 2 passes you will see two charges to your credit card each month.

We will always charge the credit card you used for the down payment on your pass(es) unless you tell us otherwise.

If your credit card expires or is replaced during the life of the payment plan, please contact Sugarloaf with updated information at 207-237-6931 or 1-800-THE-LOAF prior to your next payment due date.

No refunds will be issued for failing to complete the payment plan. Failure to pay two months in a row will result in a cancellation of your season pass and the forfeiture of all funds paid to date.

My signature authorizes Sugarloaf to charge my credit card on file for season pass payments due on July 1, August 1, September 1, and October 1, 2020.
