Before heading out onto the trails, start your morning with fresh homemade soups by a roaring fireplace, an experience at the Outdoor Center. Whether you're gliding across perfectly groomed trails through the beautiful Maine woods, The Lodge area provides a perfect start for first-time skiers. Novice skiers will enjoy a variety of beginner terrain, while more advanced skiers will find plenty of challenging terrain for both classic and skate skiing. 90 km of groomed trail loops include routes through the Village and lodging facilities at the base of Sugarloaf.

ICE SKATING
Our NHL-sized outdoor rink is open daily, from late December into March, with music and lights. Weekly free pick-up hockey games are Tuesdays and Thursdays from 1-8 pm. Call ahead for rink conditions.

SNOWSHOEING
From an expensive landscape that stretches across snow-covered forests of pine and birch, to wide open fields that touch the base of Sugarloaf, experience nature at your pace. This low impact, non-motorized activity features trails to suit all fitness levels and allows for exploration of Sugarloaf's expansive woodlands. Keep your eyes peeled for wildlife, as the trails wind through some of the most scenic and biologically diverse woodlands in New England. From the popular 4.7 km Old Race Loop to 11.7 km North Horn Loop, or even a quick jaunt along the 50 m Bobcat Alley Loop, the trails are designed to accommodate all skiers from beginner to advanced. For a limited time, Sugarloaf is offering 3 day passes for just $22 for adults, and $18 for juniors.

THE LODGE AND THE HUT
Our beautiful sun-drenched lodge is a friendly starting and stopping point during the day. Linger a while in front of the fire in the Lodge's Great Room, on the sunny outside deck, or at the cozy Inside warming hut. Located in Sugarloaf's eastern section of the mountain, the warming hut offers superb views of the Bigelow Mountain Range and is the perfect spot for your trailside picnic.

WELCOME.
