

Summer Sunday Worship at the Sugarloaf AMPhitheater!

Located high up on Sugarloaf Mountain, The AMP will host Sunday worship services accessible by chairlift (or hiking :). Go to the rental shop, top floor of the base lodge in the Sugarloaf Base Area) for a ticket to ride the Super Quad lift. Ask for the discounted Worship Ticket (\$7). Load the lift by 10:30AM to ensure timely arrival. Bring sunscreen, sunglasses and a warm jacket; it's always colder up there than you think! You might even bring your lunch and stay to enjoy the view!

If the weather forces us to cancel there will be notification at the Super Quad that we'll be meeting at the Chapel at 11AM instead.

What Time: 11AM

When: Sundays, July 3rd through Sept. 4th*
